Measurements

- CHEST:** Measure around the largest part of your chest. Be sure not to pull the measuring tape too taut.
- BUST:** Measure around the fullest part of the bust, across your shoulder blades.
- WAIST:** Measure around your natural waistline and ensure the measuring tape is taut.
- HIP:** Stand with your feet together and measure around the widest part of your hips. Ensure measuring tape is taut.

Please note the above measurements are body measurements. The fit of our garments depends on the cut, fabric and the style of the garment, therefore the above size charts are just a guide and all measurements are approximate.
